ASK YOUR RICH NEIGHBOUR

He will tell you that he began in youth to spend less than he earned, depositing a portion of his wages each week in some reputable, conservative bank. Constantly adding to the principal he at last found himself with sufficient funds to go into business for himself. Saving is the foundation of almost every fortune. The time to begin is NOW. We pay 4 per cent and compound the interest every six months.

FIRST PRESBYTERIAN CHURCH

Rev. W. H. Pheley, Minister

We are told that there are at least three places in our Dry village where wet goods are dispensed to anyone who has the sign and the price.

Places where you can secure a bottle of "Amber fluid, a glass of Nose Point, a drink of Geneva or Old Tom" as thirst desires.

Also, we are told, that there is a quiet game of poker going on, where a man with a few dollars in his clothes can be relieved of the same very quickly.

Believe me, brethren, if these things are true something's "done goin' to drop" very soon.

Signed,

Yours on the job,

W. H. PHELEY, Chairman of Publicity Com. of Perrysburg T. T. Association.
